

Medical Positions Represent Highest Paying Jobs Heading Into 2022 - Labor Market Overview

The U.S. Bureau of Labor Statistics compiles pay on occupations across various industries and has found that 14 of the nation's top 20 paying occupations are in the medical field. Psychiatrists, surgeons, and anesthesiologists top the pay list along with airline pilots and chief executives.

Advancements in medical technology as well as changing demographics have created a growing demand for medical specialists and general practitioners. Medical industry positions can be either part of a private practice or hospital / medical group.
